The Hoppings – get all the fun of the fair with Go North East

Europe's biggest travelling funfair returns to Newcastle's Town Moor from 21 to 29 June with over 300 rides and attractions.

The Hoppings is a regular favourite with families and visitors across the North East and now in its 137th year, Hoppings 2019 promises to be one of the best yet, bringing nine fun-filled days to the region.

There will be attractions to suit all ages such as cup and saucer rides and the Helter Skelter, and for adrenaline junkies there will be MACH5, The Exciter, Ice Jet and many more rides that will turn your knuckles white.

The funfair will be open between 1pm and 11pm each day from Friday 21 until Saturday 29 June.
