Bus fun and more, galore at free event

We have been flooded with thanks and lovely feedback about our fun-packed, free, Family Fun Day at our Gateshead Riverside super depot at the weekend.

Around 1,300 local people joined us for the event and we are overwhelmed by just how popular it was and how much everyone enjoyed it.

There were buses to explore, teacups to ride, bouncy castles to be bounced on, hoola-hoopers to marvel at, a bubbleologist, a face painter and music from Metro Radio.

Children enjoyed dressing-up, playing games and a chance to see their name

in lights on the front of a Castles Express bus.

The event was completely free and included unlimited complimentary ice cream and coffee. Visitors could even try driving a bus round a challenge course.

Many people took a behind-the-scenes tour of the £8.5m depot – which is the region's biggest and busiest. This included a look at our control room and a ride on a double-decker through the bus wash.

Vicky Eager, from Fenham in Newcastle, attended with her daughters Jessica and Faye. She said: "I saw a notice about the family event on Facebook so we came along. It's been absolutely brilliant."

Managing director of Go North East Kevin Carr said: "We may be known for our buses but we're very much a people business and love being at the heart of communities across the North East. This event was a chance for our customers and staff to come and enjoy some fun on us. I'm so pleased with how popular the event has been."

Here's just a few things you had to say about the event:
