Bus service changes from 26 January 2020

There will be changes to some Go North East bus services from 26 January 2020. This is to improve reliability and ensure we continue to meet the demand for where the majority of customers wish to travel.

- Big improvements to X-lines X21, with buses running every 15 minutes and giving faster journeys between Newcastle, Chester-le-Street and Durham.
- A new 311 service will be introduced, running every 20 minutes between Hadrian Park, High Farm, Coast Road and Newcastle,

with a combined frequency with 309 and 310 giving a bus up to every 7 minutes along the Coast Road into Newcastle.

Further details of the changes are listed below with links to the updated timetable.

Coaster 1 | 1A

- The 5pm journey from Gateshead to Whitley Bay will now start at Newcastle Market Street at 5.08pm. The 7.25pm 1A journey from Metrocentre will now leave five minutes earlier, at 7.20pm.

Service 197

- This service will be replaced by a new M7 service (see below for full details).

Cobalt & Coast 309 | 310 | 311 | X39

- Our Cobalt and Coast services will be revised. They will continue

to provide a bus up to every 7 minutes along the Coast Road into Newcastle. A new timetable will be introduced for the 309 and 310, with each service now running every 20 minutes. A new 311 service will be introduced, also running every 20 minutes, running between Hadrian Park, High Farm, Coast Road and Newcastle. Service X39 will continue to run at peak times.

- The evening frequency on this service will also be improved, with each service running hourly, providing a bus every 20 minutes between Newcastle and Battle Hill.
- All buses feature next stop announcements, free customer WiFi and USB charging points.

Services M6 | M7 | M8

- The timetable will be changed to help with reliability.
- The northern end of the route between Stanley and Metrocentre will continue to run every 20 minutes, as service M6, M7 and M8. Service M6 and M8 will run the same routes as now. Service M7 will run the same route as service M6, but run via Broadway, Whaggs Lane and Front Street in Whickham, to replace service 197.
- The parts of the route south of Stanley will be replaced by new services 30 (between Stanley and Lanchester), service 31 (East Stanley loop) and 32 (between Stanley and Fines Park).

X-lines X6 | X7

- To improve reliability, service X7 will no longer serve Dalton Park. It's still easy to get to Dalton Park using services X6 and 9.
- [View timetable from 26 January 2020](#)

Service X9

- Service X9 from Newcastle at 5.40pm will run 10 minutes earlier, at 5.30pm.

- [View timetable from 26 January 2020](#)

X-lines X20

- The timetable for this service will be amended to improve reliability.

X-lines X21

- Big improvements to X-lines X21, with buses running every 15 minutes between Newcastle, Chester-le-Street and Durham. Buses will also serve all stops between Chester-le-Street and Durham.
- From Durham, buses will continue to run every 30 minutes to Bishop Auckland and Woodhouse Estate. Due to some issues with narrow roads and parked cars, the service will no longer be able to serve the roads around Woodhouse Estate, instead running direct along Proudfoot Drive towards Tindale Crescent, and Walker Drive towards Bishop Auckland.
- From Tindale Crescent buses will continue to West Auckland, running direct along Maude Terrace and Station Road, terminating at The Eden Garage. This offers great new direct links to Newcastle for residents of this area, as well as access to Go North East's great range of excellent value tickets.
- Buses will also run later in the evening, with an hourly express service from Newcastle up until 11.15pm. All journeys will run the normal daytime route via Neville's Cross.
- Following customer requests, the X21 will now serve all stops in Framwellgate Moor.
