## Extra evening buses for Lumiere in Durham – 16-19 November

[LUMIERE](#) returns with a spectacular raft of installations and projections to illuminate Durham's buildings, streets and public spaces. Local and international artists, lighting designers, and community groups will breathe new light into the city with a breathtaking series of lightworks.

This year's festival is certain to be just as popular with artworks sprawling right across the city in a sprinkle of winter magic. The light creations will range from large-scale projections, to neons, to installations using the latest LEDs, created by artists and lighting designers from near and far including pieces created by artists from the North East.

Getting into Durham to enjoy the sights couldn't be easier as we've got extra evening buses to make your journey nice and easy, plus we've got some great value tickets too, including our [£10 Family Day Ticket](#) - covers up to two adults and three children under 16.

## Travelling from Chester-le-Street and Birtley

- Our Angel 21 service will run at least every 15 minutes throughout the evening as far as Newcastle Bank in Birtley, with buses departing from Durham Bus Station.

## Travelling from Houghton-le-Spring and Sunderland

- Our Prince Bishops 20 service will run every 30 minutes throughout the evening from Durham Bus Station, and we'll be using larger buses. Unfortunately, road closures in the city centre will mean that buses won't be stopping at Milburngate Shopping Centre from late afternoon and throughout the evening during the Lumiere event.
