## Park & Ride buses for Newcastle United v Leicester City

Getting to St James' Park is really easy with us as we run two dedicated Park & Ride routes. You can park in Metrocentre Coach Park and catch our X50 Soccerbus or at Newcastle Great Park and catch our Quaylink Q3.

### Soccerbus

- Soccerbus is a direct link between the Metrocentre and St James' Park on Newcastle United home match days, offering a

convenient Park & Ride service and easy access to the stadium for everyone.

- Runs for all Newcastle United first team home matches during the 2015/16 football season, including pre-season friendlies.
- The first bus leaves the Metrocentre (Coach Park) two hours before each match. Buses then run at frequent intervals until the last departure 15 minutes before the scheduled kick-off time.
- Buses return from St James' Park at frequent intervals after each match. The last bus leaves one hour after the final whistle.
- Free parking in dedicated spaces at the Metrocentre Coach Park – an attendant is on hand to guide you to the reserved parking spaces.
- Open to everyone, offering direct access to the stadium before/after each match.
