QuayCity Q3 route improvements in Newcastle from 12 June

From Saturday 12 June, QuayCity Q3 will operate both ways on City Road in Newcastle. This means journeys towards Great Park will operate from Walker Road via City Road and Quayside, stopping at new stops outside Premier Inn, Opto, and directly outside the Law Courts. This replaces the bus stops at Mariner's Wharf or Pitcher and Piano. Journeys towards Wallsend are unchanged.

We've worked with our partners at Newcastle City Council and NE1 on this change, which will allow an expanded events area at the Quayside Seaside. It'll still be easy to get there by bus and to attend any events held on the

Quayside, as QuayCity Q3 will stop at the Law Courts in both directions, and a new bus lane is being installed to help beat traffic queues.
