Service changes from 3 November 2019

Service changes from 3 November 2019 Shotley Bridge

Working in partnership with Durham County Council, there will be improvements to services around Shotley Bridge.

Service V9

- Will run via Elm Park, Medomsley Edge and Ebchester Hill, offering new transport links for these areas.

Services X5 and X15

- These routes will be extended from Consett to Shotley Bridge, serving Genesis Way, Church Road, Snow's Green Road, Rosedale Avenue and St Cuthbert's Avenue.
- Service X5 will run clockwise and service X15 will run anti-clockwise around this loop of Shotley Bridge.
- There will be morning and evening journeys for commuters, as well as journeys during the day to improve access to local shops and facilities.

Red Arrows X1

- This service will now additionally set down at St Mary's Place in Newcastle City Centre, improving access to the northern end of the City.
- There are no other changes to the route or timetable of this service.
