Supporting Metro Radio's Million Pounds of Work Campaign

We are supporting Metro Radio and their campaign to generate at least £1million of work in the North East.

- We are pleased to help out by offering 10 x driving and 5 x engineering positions, which at a salary of around £20k per year gives Metro Radio a fantastic start of £300,000!
- Average salary of £20k per year, plus free bus and metro travel, high street discounts and company pension scheme.
- If you fancy a challenging and rewarding job, either driving or within our engineering teams then you can read more and apply

on the links below.
